DATA PROTECTION COMPLAINTS POLICY

(QM/P/May 2026)

Version: May 2026

A) INTRODUCTION

The Data Protection Act 2018 is the main law governing data protection. You have the right to complain directly to us if you consider that we have breached data protection laws because of the way we have handled your personal data (or the personal data of someone you are acting on behalf of). This Policy explains your right to complain and how we will handle your complaint.

B) ROLES AND RESPONSIBILITIES

- 1) Our Director is responsible for handling data protection complaints within our organisation. They will work alongside other members of our organisation who have been identified as relevant to the investigation of each complaint.
- 2) All staff are responsible for recognising data protection complaints.
- 3) Staff who receive or identify a data protection complaint, whether in person or through any other channels, must inform our Director as soon as possible.
- 4) We are committed to handling data protection complaints in line with our legal obligations and in an accessible, fair, transparent and timely manner. We will handle complaints confidentially and only share information where appropriate to investigate and resolve the complaint, as required or authorised by law or in accordance with our Privacy Notices.

C) TYPES OF COMPLAINT

- 1) Examples of a data protection complaint include (but are not limited to) the following:
 - the way we have responded to a subject access request (SAR) or other data rights request (see our separate 'Policy on Your Rights in Relation to Your Data' for information on individual data rights); or
 - the security measures we have used to store your information (e.g., where you have been impacted by a data breach); or
 - how we have collected or used your personal information (e.g., where we have stored it, how long we have kept it for, or its accuracy).

This list is not exhaustive. You have the right to complain to us at any time if you consider that there has been an infringement of any of your rights in relation to your personal data.

Information on how we handle your personal data is set out in our separate Privacy Notices, available by e-mailing claireh@maq1.com or by telephoning 01296 393 535.

- 2) Complaints about other matters that do not relate to data protection, such as customer service issues, will not be treated as a data protection complaint. If you have a complaint that is not about data protection, please contact us by e-mail at bookings@maq1.com or by telephone on 01296 393 535.
- 3) If we are not sure whether you are making a data protection complaint, we will contact you to clarify the nature of your complaint.
- 4) Employees who want to raise a grievance should do so under our grievance procedure.

This is not an exhaustive list. We will take appropriate steps to respond to data protection complaints that we receive from any other channels.

- 2) We will comply with our duty to make reasonable adjustments to our data protection complaints process for disabled people under the Equality Act 2010. If you feel that you would benefit from any adjustments to our data protection complaints process, you should raise this with us when making your complaint.

E) RESPONDING TO YOUR COMPLAINT

- 1) When we receive a data protection complaint, we will acknowledge receipt no later than 30 days from receiving it.
- 2) If we have any doubts about your identity, we may need to ask you for proof of ID before we respond to your complaint.
- 3) Complaints made on your behalf by a third party must be accompanied by evidence that the third party is authorised to act on your behalf. If this is not provided, we will contact the third party to ask that such evidence is provided before we respond to your complaint. If we are unsure whether a letter of authority is valid, we will contact you about this before we respond to your complaint.
- 4) We will take appropriate steps to respond to your complaint without undue delay, including making enquiries into the complaint and keeping you informed about the progress of our investigation and timescales for the next update or outcome.
- 5) We may need to contact you to request further information to assist with our investigation. It may take us longer to investigate and resolve complaints which are complex, serious or which relate to multiple data protection issues.
- 6) Following our investigation, we will inform you of the outcome of your complaint without undue delay, explaining our findings, whether the complaint is upheld (in whole or in part), any action taken or proposed and, where no action is taken, the reasons for that decision.

F) COMPLAINTS ABOUT DATA PROCESSORS

Where we receive a complaint that relates to the processing of personal information by our service providers, we will ask them to provide us with information relevant to the complaint without undue delay and in line with our contractual terms with the service provider.

G) TRAINING
